# **Introduction**

Pursuant to the requirements of West Virginia Code §5-1-20, Public Defender Services, an agency of the Executive Branch, submits this report for fiscal year 2003-2004 to his Excellency, Governor Joe Manchin and to the West Virginia Legislature. This report describes the agency's activities during fiscal year 2003-2004.

Public Defender Services, originally Public Legal Services Council, was established July 1, 1981, by WV Code §29-21-1, et seq., and given the responsibility for administering the provision of legal representation to indigent persons as required by the Sixth Amendment to the United States Constitution and by Article III, Section 14 of the West Virginia Constitution. The Executive Director, appointed by the Governor, by and with the advice and consent of the West Virginia Senate, is responsible for the administration of the appointed counsel system; the Public Defender Corporation system; the Public Defender Services appellate division; and the Criminal Law Research Center within Public Defender Services.

Although local practices vary widely, for billing and statistical purposes, PDS defines a "case" as any matter, regardless of how it initially arose, which is resolved in one proceeding or a closely related series of proceedings. Because separate case numbers may be assigned when charges are first brought, one "case" for our purposes may be assigned several case numbers in magistrate or circuit court.

In the interest of accurate reporting, both private and appointed counsel data is shown in a variety of ways. Although the two systems cannot be compared precisely it is absolutely clear by any measure that Public Defender operations have been more cost effective since 1990 and opposition to more offices is counter to the financial interests of the State of West Virginia.

## **Appointed Counsel System**

The appointed counsel system operates in all 55 counties of West Virginia.

Approximately 800 appointed counsel and service providers are reimbursed annually by Public Defender Services for fees and expenses incurred in the representation of indigents in criminal matters.

In December, 1987, Millard Jewell, a Mingo County attorney whose case load was composed of 30 percent appointed cases, filed suit in the West Virginia Supreme Court. The Court appointed a Special Master and evidentiary hearings were held at three locations in the state. In July, 1989, the Court found certain aspects of the indigent defense system unconstitutional. The Court required the Legislature to increase appointed counsel rates from \$20/\$25 per hour to \$45/\$65 per hour, and to raise the fee cap to \$3,000. During the 1990 Regular Session of the Legislature, these mandates were enacted into WV Code §29-21-13a and became effective July 1, 1990. This action more than doubled the costs of the appointed counsel system.

Using appropriated, re-appropriated, and supplemental funds for fiscal year 2003-2004, Public Defender Services processed **\$14,664,539** in payments for **23,335** claims by appointed counsel and other providers. Because all funds were exhausted, these figures represent only 11.25 months of invoice processing. Unpaid claims were estimated to total \$6 million dollars. The average hourly appointed counsel cost was **\$54.07** and the average appointed counsel cost per claim was **\$628.44**. Appointed counsel statistical information is found in

**Appendix A.**

## **The Public Defender Corporation System**

The Public Defender Corporation system is an efficient, cost-effective alternative to the appointed counsel system. As specialists in criminal law, Defenders do not need to research issues as often as private counsel who only occasionally do criminal work. In addition, Public Defenders do not charge an hourly rate so they are not paid extra for travel time or for time awaiting hearings. Each office operates as a non-profit corporation with its own board of directors. Each Corporation receives all its funding from Public Defender Services.

Prior to fiscal year 1990-1991, Public Defender Corporation offices operated in the 2<sup>nd</sup>, 10<sup>th</sup>, 23rd/31st (combined), and 28<sup>th</sup> Judicial Circuits. During fiscal year 1989-1990, the 1<sup>st</sup>, 8<sup>th</sup>, 12<sup>th</sup>, 13<sup>th</sup>, and 30<sup>th</sup> Circuits opened Public Defender offices. In fiscal year 1990-1991, the 7<sup>th</sup> and 9<sup>th</sup> Circuit offices opened. In fiscal year 1993-1994, the 15<sup>th</sup> Circuit office opened. In fiscal year 1994-1995, the 6<sup>th</sup> and 24<sup>th</sup> Circuit offices opened. In fiscal year 1995-1996, the 5<sup>th</sup> Circuit offices opened. In fiscal year 1999-2000, the 11<sup>th</sup> and 25<sup>th</sup> Circuit offices opened, and, in FY 2000-2001, the 18<sup>th</sup> Circuit office opened.

The 1<sup>st</sup> Circuit offices are located in Wheeling and Weirton; the 2<sup>nd</sup> Circuit, in Moundsville; the 5<sup>th</sup> Circuit, in Ripley and Spencer; the 6<sup>th</sup> Circuit, in Huntington; the 7<sup>th</sup> Circuit, in Logan; the 8<sup>th</sup> Circuit, in Welch; the 9<sup>th</sup> Circuit, in Princeton; the 10<sup>th</sup> Circuit, in Beckley; the 11<sup>th</sup> Circuit, in Lewisburg and Marlinton; the 12<sup>th</sup> Circuit, in Fayetteville; the 13<sup>th</sup> Circuit, in Charleston; the 15<sup>th</sup> Circuit, in Clarksburg; the 18<sup>th</sup> Circuit, in Kingwood; the 23<sup>rd</sup> Circuit, in Martinsburg and Charles Town; the 24<sup>th</sup> Circuit, in Wayne; the 25<sup>th</sup> Circuit, in Madison and Hamlin; the 28<sup>th</sup> Circuit, in Summersville; and the 30<sup>th</sup> Circuit, in Williamson. When fully staffed, the system employs 119 attorneys and 77 staff employees.

**Figure PD-1** shows the circuits and counties that currently have Public Defender Corporations.

During fiscal year 2003-2004, the Corporations provided representation in **30,312** judicial proceedings; pursuant to contracts, Public Defender Services issued disbursements totaling **\$12,773,436** for Public Defender Corporations. The average hourly cost was **\$59.00** and the average cost per case represented was **\$421.40**. Full Public Defender statistical, grant, and board composition information can be found in **Appendix B**.

**Figure PD-1**

Note: Public Defender Corporations are established in each Judicial Circuit per WV Code §29-21-1, et seq.  
After the 5th Circuit Corporation offices were opened, Mason County was added to that Circuit.  
Currently PDS is enjoined from opening an office in Mason County.

## **The Criminal Law Research Center (3 employees)**

By statute the Research Center is charged with producing legal materials useful to West Virginia criminal law practitioners. The Criminal Law Digest summarizes and indexes recent West Virginia Supreme Court of Appeals decisions. E-mail updates are sent as cases are decided. Recent Supreme Court decisions are available through a quarterly newsletter, which also includes other matters of interest. These publications save time for practitioners as well as money for the State by eliminating unnecessary research billing by private attorneys.

In Fiscal Year 2004, the Criminal Law Research Center presented three continuing legal education seminars, one each in Beckley, Wheeling and Canaan Valley State Park. These sessions were open to full time Public Defenders and court appointed private attorneys and were attended by nearly 300 attorneys. All of these seminars were offered at either no cost or at a minimal fee. The CLRC received \$6,300 from these presentations. In addition, ten seminars were conducted for Public Defenders only, including a special session for new or inexperienced Defenders. The CLRC maintains a video library of each of these sessions and of numerous seminars from past years. Copies of these tapes are available at a minimal cost upon request.

The CLRC continued to publish updates of the Criminal Law Digest; the Sixth Edition of the Jury Instruction Manual; and the Second Edition of West Virginia Criminal Defense Motion Manual. These publications are available and sold to criminal law practitioners in both printed versions and in a CD-ROM format. Sales of these publications amounted to \$ 3,535. All publications are also available at no cost on PDS' website, [www.wvpds.org](http://www.wvpds.org).

## **The Appellate Advocacy Division (2.5 employees)**

Public Defender Services is required by statute to have an appellate division. Because of limited funding, only one full time and one part-time attorney position are authorized, with one paralegal to assist. The division accepts appeals from private appointed counsel and full-time Public Defenders. Most appeals are accepted because of conflicts with local counsel or unique circumstances which require appointment of counsel outside the local Circuit or county.

In FY2004, the Division represented clients in 21 Direct Appeals before the WV Supreme Court and 7 Habeas Corpus Appeals and served as co-counsel in 4 Habeas Corpus Petitions before various Circuit Courts.

## **Accounting and Voucher Processing Division (5 employees)**

This division prepares all financial reports for the agency, including budget documents, payroll and benefits, central office expenditures, Public Defender expenditures and private appointed counsel expenditures. The division is also responsible for preparing budget requests and monitoring expenditure schedules, as well as reporting for the Comprehensive Annual Financial Report.

Most importantly, the division processes approximately 23,335 claims per year from private counsel and other service providers, checking for legal compliance as well as for routine errors. The agency reduces claimed amounts of payment when appropriate, resulting in a savings of \$400,000 or more annually. Extensive statistical reporting is maintained, as well as 1099 reports produced for payees at the end of the calendar year.

## **Administration/Public Defender Operations Division (2 employees)**

This division maintains all routine office processes, including payment of central office bills, purchasing equipment and supplies, maintaining payroll, personnel and leave records, records management, fixed asset inventories, and responds to

various administrative report requirements of the Secretary of Administration. Most importantly, the division budgets, coordinates and oversees operations of eighteen Public Defender Corporations throughout the state. Extensive data collection for both financial information and case information is maintained. Reporting is done on both a monthly and annual basis, with ongoing analysis of needs. Cash flow management results in monthly disbursements of only sufficient cash for ongoing operations, resulting in some shifting of funds to private counsel. Suggested policies are developed as needed, including suggested office procedures, accounting policies and data entry protocols for case management. This division is also responsible for answering inquiries from legislative and executive branch officials, judges, prosecuting attorneys, various news media and the general public, as well as Public Defenders and private appointed counsel.
