WV PUBLIC DEFENDER SERVICES

ANNUAL REPORT FISCAL YEAR 2010-2011

PURPOSE

Pursuant to the requirements of West Virginia Code §5-1-20, Public Defender Services, an Agency of the Executive Branch, submits this report for fiscal year 2010-2011 to his Excellency, Governor Earl Ray Tomblin and to the West Virginia Legislature. This report describes the agency's activities during fiscal year 2010-2011.

INTRODUCTION

Although local practices vary widely, for billing and statistical purposes, PDS defines a "case" as any matter, regardless of how it initially arose, which is resolved in one proceeding or a closely related series of proceedings. Because separate case numbers may be assigned when charges are first brought, one "case" for our purposes may be assigned several case numbers in magistrate or circuit court. Appointed (private) counsel data is shown as claims submitted. Absent supplemental and direct expense vouchers (providers of services other than attorneys appointed) this number corresponds closely to numbers of cases.

In the interest of accurate reporting, both private counsel and Public Defender data are shown in a variety of ways. Although the two systems cannot be compared precisely, it is clear that Public Defender operations have been more cost effective and efficient since 1990.

AGENCY MISSION

Public Defender Services was established July 1, 1981, by West Virginia Code §29-21-1, et seq., and is responsible for administering the provision of legal representation to indigent persons as required by the Sixth Amendment to the United States Constitution and by Article III, Section 14 of the West Virginia Constitution. The Executive Director, appointed by the Governor, by and with the advice and consent of the West Virginia Senate, is responsible for the administration of the appointed counsel system; the Public Defender Corporation system; the Public Defender Services appellate division; and the Criminal Law Research Center within Public Defender Services. The Executive Director also serves as the chair of the Indigent Defense Commission.

CUSTOMER SERVICE

PDS' responsibility is to see that clients are properly represented. In that sense, the paramount goal is to serve each client. Secondarily, however, PDS tries to ensure that lawyers and service providers in the private sector are paid reasonably and timely, as well as funding full-time Public Defender offices adequately to maintain their effectiveness and efficiency.

For more information, and any accessibility concerns, please contact Dana Eddy at dana.f.eddy@wv.gov.

For private providers, PDS corrects billings so as to avoid returns by the State Auditor's office. Within the constraints of a limited staff the goal is to process vouchers within five business days.

In Fiscal Year 2011, PDS paid in excess of $26.3 million dollars on 34,180 claims. For Appointed counsel claims, two time periods for submission of claims are in effect. For work completed prior on or before June 30, 2008, claims must have been submitted prior to January 1, 2009. For work completed on or after July 1, 2008, claims must be submitted within 90 calendar days after the last date of service.

GOALS/OBJECTIVES/TRAINING

The agency's paramount goal is to see that indigent persons are properly represented. In that sense, every objective and every performance measure is designed to further that overriding goal.

The primary objective to further the paramount goal relates to funding. Except for the appellate section (one attorney; See Appellate Advocacy section below), PDS does not represent clients but rather funds (See Voucher Processing and Public Defender sections, below) and assists representation (see Criminal Law Research Center section below). The Indigent Defense Commission (see below) provides assistance to the Executive Director in meeting the agency's goals and objectives for indigent defense.

PDS makes every effort to see that private attorneys are paid in a timely and reasonable manner within the limits of available funding allotments and through funding contracts maintains effective and efficient full-time Public Defender Offices.

INDIGENT DEFENSE COMMISSION

The Indigent Defense Commission was established July 1, 2008 pursuant to H.B. 4022, enacted during the 2008 legislative session (See W.Va. Code §29-21-3b). The Commission members are appointed by the Governor and are charged with a number of advisory and oversight duties. A list of current serving members can be found below.

William B. Richardson, Esq. Attorney, 1st Congressional District	Term ending 06/30/2013
Joseph M. Ward, Esq. Attorney, 2nd Congressional District	Term ending 06/30/2010

Deborah A. Lawson, Esq. Chief Defender	Term ending 06/30/2012
Russell S. Cook, Esq. Acting Executive Director of PDS	Non-expiring Term

Pursuant to the statute, on January 15, 2009, the Commission submitted its first report to the Legislature on the "feasibility and need for the creation of additional public defender offices; the activation of public defender corporations; the formation of multi-circuit or regional public defender corporations; or the dissolution of public defender corporations...".

The report submitted on January 15, 2009, made the following five recommendations:

- Activations of Public Defender corporations in the 4th, 16th, 17th, and 26th Judicial Circuits (effective July 1, 2009 or sooner);
- Increase the hourly rate of compensation to private appointed counsel (effective July 1, 2009 or sooner);
- The WV Supreme Court and State Bar should advise the Legislature annually as to needed changes and improvements to the indigent defense system, including recommending hourly rates for private counsel;
- PDS should devise a system to alert judges to private counsel billings which appear to be consistently higher than average and local panels of attorneys should be defined; and

For more information, and any accessibility concerns, please contact Dana Eddy at dana.f.eddy@wv.gov.

- Indigent defense lawyers to be required to complete a minimum number of relevant CLE hours.

Of these recommendations, PDS has been able to implement the fourth item, i.e., report of private counsel billing. The remaining recommendations require action by the Legislature, The Supreme Court of Appeals, or the West Virginia State Bar.

APPOINTED COUNSEL SYSTEM

The appointed counsel system is comprised of private attorneys and operates in all 55 counties of West Virginia. Approximately 800 private counsel and service providers are reimbursed annually by PDS for fees and expenses incurred in the representation of indigents in criminal matters.

In December 1987, Millard Jewell, a Mingo County attorney whose case load was composed of 30 percent appointed cases, filed suit in the West Virginia Supreme Court. The Court appointed a Special Master and evidentiary hearings were held at three locations in the state. In July 1989, the Court found certain aspects of the indigent defense system unconstitutional. The Court required the Legislature to increase appointed counsel rates from $20/$25 per hour to $45/$65 per hour, and to raise the fee cap to $3,000. During the 1990 Regular Session of the Legislature, these mandates were enacted into W.Va. Code §29-21-13a and became effective July 1, 1990. This action more than doubled the costs of the appointed counsel system.

Using appropriated, re-appointed and supplemental funds for fiscal year 2010-2011, PDS processed **$26,301,225.60** in payments for **34,180** claims by appointed counsel and other providers. Because all funds were exhausted the previous fiscal year, these figures represent approximately payments made from non-abuse and neglect vouchers received from March 17, 2010 to May 19, 2011 and abuse and neglect vouchers received from May 29, 2010 to June 9, 2011. The agency received a supplemental appropriation from the Legislature, ($11.5 million dollars) during Fiscal Year 2011. The accrued liability reported to the agency was approximately **$6,694,871.70** dollars which carries over to fiscal year 2012. The average hourly appointed counsel cost was **$52.30** and the average appointed counsel cost per claim was **$769.49.** Appointed Counsel statistical information is found in **Appendix A.**

PUBLIC DEFENDER CORPORATION SYSTEM

The Public Defender corporation system is the alternative to the appointed counsel system. As full-time practitioners in criminal law, defenders do not need to research issues as often as private counsel who only occasionally do criminal work. In addition, Public Defenders do not charge an hourly rate so they are not paid extra for travel time or for time awaiting hearings.

Each office operates as a non-profit Corporation with its own board of directors. Each Corporation receives funding from Public Defender Services.

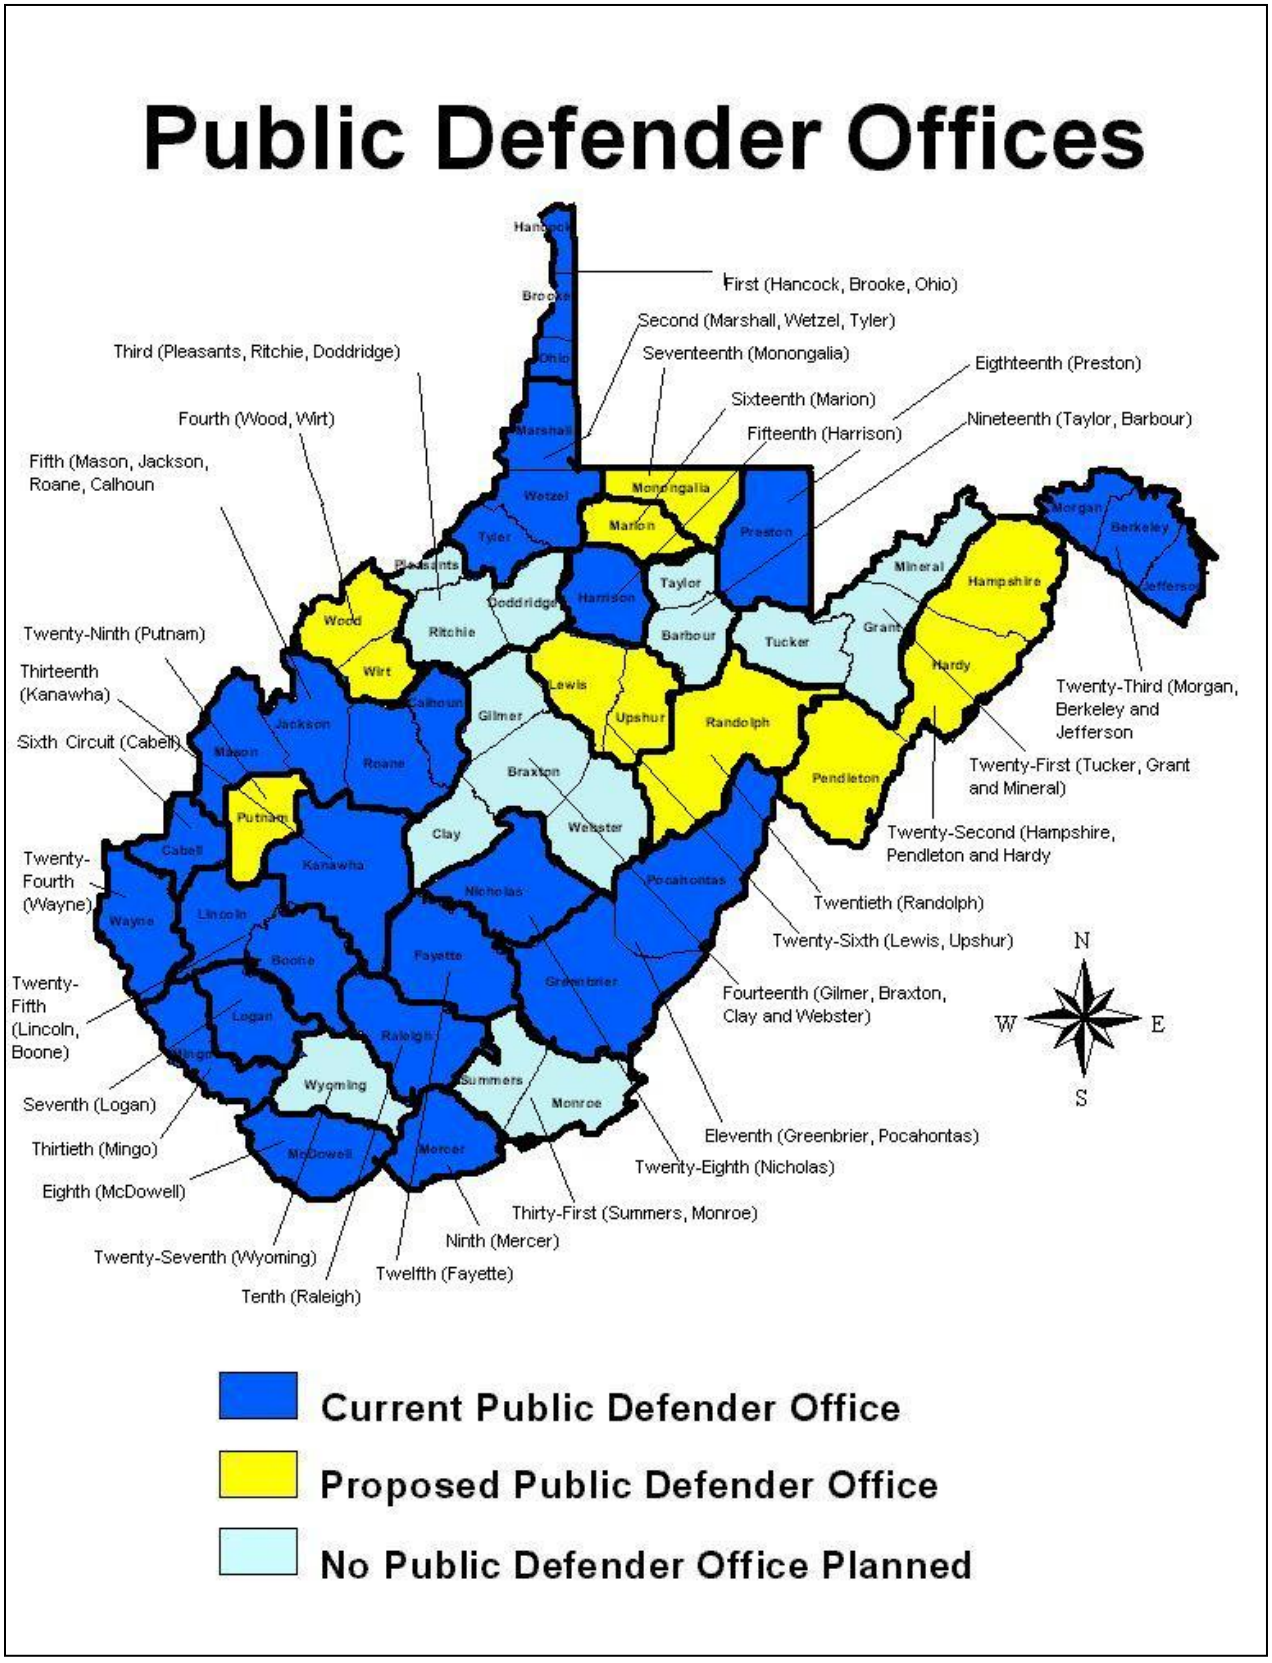

Prior to fiscal year 1990-1991, Public Defender Corporation offices operated in the 2nd, 10th, 23rd/31st (combined), and 28th Judicial Circuits. During fiscal year 1989-1990, the 1st, 8th 12th, 13th, and 30th Circuits opened Public Defender offices. In fiscal year 1990-1991, the 7th and 9th Circuit offices opened. In fiscal year 1994-1995, the 6th and 24th Circuit offices opened. In fiscal year 1995-1996, the 5th Circuit offices opened. In fiscal year 1999-2000, the 11th and 25th Circuit offices opened, and in fiscal year 2000-2001, the 18th Circuit office opened.

The 1st Circuit offices are located in Wheeling and Weirton; the 2nd Circuit, in Moundsville; the 5th Circuit, in Ripley and Spencer; the 6th Circuit, in Huntington; the 7th Circuit, in Logan; the 8th Circuit, in Welch; the 9th Circuit, in Princeton; the 10th Circuit, in Beckley; the 11th Circuit, in Lewisburg and Marlinton; the 12th Circuit, in Fayetteville; the 13th Circuit, in Charleston; the 15th Circuit, in Clarksburg; the 18th Circuit, in Kingwood; the 23rd Circuit, in Martinsburg and Charles Town; the 24th Circuit, in Wayne; the 25th Circuit, in Madison and Hamlin; the 28th Circuit, in Summersville; the 30th Circuit, in Williamson. During fiscal year 2011 the system employed 132 attorneys and 84.5 staff employees. The **Figure** below shows the circuits and counties that currently have Public Defender Corporations.

During fiscal year 2010-2011, the Corporations provided representation in **61,530** judicial proceedings; pursuant to contracts, Public Defender Services issued disbursements totaling **$18,417,158.00** to and on behalf of Public Defender Corporations. The average hourly cost was **$72.66** and the average cost per case closed was **$645.22**. Full Public Defender statistical, grant, and board composition information can be found under **Appendix B**.

The Criminal Law Research Center (2 FTE's)

By statute the Research Center is charged with producing legal materials and providing and coordinating legal education programs and services useful to West Virginia criminal law practitioners.

CLRC PUBLICATIONS INCLUDE:

- **WV Criminal Law Digest** (up to the 11th Edition) (Summarizes WV Supreme Court Opinions)
- **WV Criminal Jury Instructions Manual** (6th Edition)
- **WV Criminal Defense Motion Manual** (2nd Edition)
- **WV Criminal Defense Litigation Manual** (2nd Edition)
- **The Defender** (A quarterly newsletter which includes US and WV cases and commentary and other related matters)
- **E-mail alerts** of recent cases

These publications save time for practitioners, as well as money for the State, by eliminating unnecessary research billing by private attorneys; they are available for minimal cost on CD and in hard copy and with many free on the WVPDS website www.wvpds.org.

In Fiscal Year 2011, the Criminal Law Research Center sponsored multiple continuing legal education ("CLE") programs in Beckley, Charleston, Morgantown, and Wheeling and organized and presented the 2011 Annual Public Defender Conference on June 16-17, 2011 at Glade Springs, which was attended by nearly 200 criminal defense practitioners and staff. All of these sessions were open to full-time public defenders and private criminal defense attorneys. These sessions provided continuing legal education to approximately 347 attendees. These seminars were provided at low-or-no-cost to all attendees.

In addition, the CLRC coordinated numerous in-house training sessions for attorneys in public defender offices throughout the State; continued the WVPDS New Attorney Training program in February 2011, a two-day session designed to provide new public defenders with many of the necessary tools for their practice, and sponsored a training session addressing the Revised Rules of Appellate Proceeding.

The CLRC maintains a video and DVD library of CLE programs available to practitioners at minimal cost.

The Appellate Advocacy Division (3FTE's)

Public Defender Services is required by statute to have an appellate division. Because of limited funding, only one full-time attorney position was authorized with a paralegal and secretary to assist. The division accepts appeals in both private appointed counsel and full-time Public

Defender cases. Most appeals are accepted because of conflicts with local counsel or unique circumstances which require appointment of counsel outside the local Circuit or county.

In fiscal year 2011, the Division filed thirteen notices of appeal, two habeas petitions, two motions for reconsideration or correction of sentence, and eight appellate briefs with the West Virginia Supreme Court of Appeals. The Division opened nine new cases and closed sixteen cases in fiscal year 2011.

The Accounting and Voucher Processing Division (7 FTE's)

This division prepares all financial reports for the agency, including budget documents, payroll and benefits, central office expenditures, Public Defender expenditures and private appointed counsel expenditures. The division is also responsible for preparing budget requests and monitoring expenditure schedules, as well as reporting for the Comprehensive Annual Financial Report, and works with the Legislative Committee on Special Investigations to investigate allegations of fraud in voucher submissions.

More importantly, the division processes approximately **34,180** claims from private counsel and other service providers, checking for legal compliance as well as for routine errors. The agency reduces claimed amounts of payment when appropriate, resulting in a savings of **$653,425.75** in fiscal year 2011. Extensive statistical reporting is maintained, and **797** reports are produced for payees at the end of the calendar year.

The Administration/Public Defender Operations Division (3 FTE's)

This division maintains all routine offices processes, including payment of central office bills, purchasing equipment and supplies, maintaining payroll, personnel and leave records, records management, fixed asset inventories; and responds to various administrative report requirements of the Secretary of Administration and the Legislature.

Most importantly, the division budgets, coordinates and oversees operations of eighteen Public Defender Corporations throughout the state. Extensive data collection for both financial information and case information is maintained. Reporting is done on both a monthly and annual basis, with ongoing analysis of needs. Suggested policies are developed as needed, including office procedures, accounting policies and data entry protocols for case management.

This division is also responsible for answering inquiries from legislative and executive branch officials, judges, prosecuting attorneys, and the general public, as well as Public Defenders and private appointed counsel. Through careful budgeting and cost saving efforts by this division, WVPDS was able to return **$132,514.71** to the general fund in fiscal year 2011.
